## **Cashion Fishing Rod Limited Warranty**

Cashion Fishing Rods carry a limited warranty against defects in materials and craftsmanship for the original owner. Unfortunately rods sometimes fail and if you feel your rod has failed due to a defect in materials, then ship the entire damaged rod at your cost back to us along with a check for payment. Make sure to include a copy of the Warranty Form and proof of purchase. We work closely with engineers that will examine the rod and determine the reason for failure. A new rod will be shipped back.

- If the failure is deemed a defect in materials or craftsmanship by our engineers, a new rod of the exact same model will be shipped to you
- If the damage is deemed an accident, misuse, normal wear, due to modification of the purchased rod, we will quote the cost of a repair or replacement. If deemed you do not want the rod repaired or replaced, your payment will be returned.
- Please allow 2 weeks for processing
- Please be aware that components and colors may vary between original and replacement parts
- Please ship all warranty claims and check to:
  - Cashion Fishing Rods, 3915 Hawkins Ave, Sanford, NC 27330
  - Do NOT ship via USPS because they do not deliver to our location. Ship FedEx or UPS.
